FOIA 18-00213-DO	Requesting content of the interview of Duncan P. MacDougall conducted by Lillian Hoddeson on April 9, 1986 for her book: "Critical Assembly", Cambridge University Press, 1993. The interview is, for instance, mentioned on p. 456, note 28, and is numbered OH-116. I am particularly interested in the content related to Elizabeth Monroe Boggs' work.	-

FOIA 18-00212-H	Requesting full and complete copies of: 1. All documents, memos, letters, viewgraphs, presentation slides, emails, reports, etc. prepared for, sent to, or intended for use by the Pentagon for the Nuclear Posture Review for the current administration by the Lawrence Livermore National Laboratory, Los Alamos National Laboratory and/or Sandia National Laboratory; 2. Including but not limited to a document referred to as a final, coordinated "memo" with a set of 17 points or requests agreed by the three afore-mentioned NNSA nuclear weapons labs and sent by the Labs or NNSA to the Pentagon. The time frame for this FOIA request covers May 1, 2017 through December 31, 2017	-
FOIA 18-00211-R	Requesting un-redacted, complete copies of the below US Department of energy (DOE) contracts/orders and the Government Wide Acquisition Contract (GWAC) vehicles/schedules each contract utilized to purchase information technology (IT) services for the DoE contracts. This request covers the years 2010 through 2015. This request seeks contract information detailing the price that DoE paid for IT services, including, but not limited to IT infrastructure, hardware, wireless, telecommunications and IT help desk functions with respect to the contract. 1. Task order DE-DT0001992 2. From 2011 through the present, the DoE issued a number of orders to ActioNet, Inc. through its GSA Alliant Small Business GWAC (Contract No. GS-06F-0594Z) PLEASE SEE ATTACHMENT for Order #'s 3. DE-AC05-00OR22725 please include all associated GWAC vehicles/schedule contracts. For the years 2010 through 2015, please provide the following: 1. Complete un-redacted contract documents, and any updated "conformed" contract documents containing all contract modifications to the "conformed" date.	-
FOIA 18-00210-EW	"Seeking access to or a license for SERTRAIN circuit analysis software that was used to analyze SERAPHIM circuits. Hyperloop Transportation Systems is adapting SERAPHIM for height speed commercial systems. also seeking as much SERTRAIN documentation including design, user and installation and maintenance documentation as are available. Installation environment requirements and configuration guidelines are also needed."	-
FOIA 18-00209-KM	Requests medical records, personnel records, x-ray reports, radiation exposure report, occupational and industrial records on Ray Ova Ritter, deceased	Other Reasons - No records
FOIA 18-00208-DO	Requesting medical records, personnel records, x-ray reports, radiation exposure report, occupational and industrial records, work records on Donald Charles Reagan, deceased	Granted in Full
FOIA 18-00207-H	Requesting high res versions of these photos (or similar photos) along with written confirmation they are public domain. <a href="https://wwwwtc.pbs.org/wgbh/americanexperience/media/_sized_/canonical_images/feature/command-andcontrol-goldsboror-resize-1200x0-70.jpg">https://wwwwtc.pbs.org/wgbh/americanexperience/media/_sized_/canonical_images/feature/command-andcontrol-goldsboror-resize-1200x0-70.jpg</a> <a href="https://upload.wikimedia.org/wikipedia/commons/1/1a/Goldsboro-B-52_buried_bomb.jpg">https://upload.wikimedia.org/wikipedia/commons/1/1a/Goldsboro-B-52_buried_bomb.jpg</a> <a href="https://en.wikipedia.org/wiki/1961_Goldsboro_B-52_crash#/media/File:Goldsboro_Broken_Arrow_cleanup_1961.jpg">https://en.wikipedia.org/wiki/1961_Goldsboro_B-52_crash#/media/File:Goldsboro_Broken_Arrow_cleanup_1961.jpg</a> Additionally, we are also looking for the document titled Goldsboro Revisited, dated October 22, 1969, by Parker F. Jones, the supervisor of the nuclear weapons safety department at Sandia National Laboratories.	Granted in Full
FOIA 18-00206-R	Requesting a copy of records that indicate the current (or recent) amount of the U.S. inventory of Highly Enriched Uranium. Request a declassification of records that provide a more recent HEU inventory amount.	-

FOIA 18-00205-DO	Requesting medical records, personnel security file, personnel records, radiation exposure records	Granted in Full
FOIA 18-00204-KM	Requesting any information on Donald Lewis Macdonald, deceased	Other Reasons - No records
FOIA 18-00203-KM	Requesting any information on Douglas Kent Macdonald, deceased	Other Reasons - No records
FOIA 18-00202-EW	Requesting 1. Louis Hempelman interview with Paul Hendrickson (31 Jan, 1986) collection A-2006-006 5/1, location is A-21-24 2. "Report by J.G. Hoffman on Biological Effects of July 16th Explosion," Jan 3, 1946, LANL	Granted in Full
FOIA 18-00201-DO	***REVIEW AND RELEASE*** Requesting a copy of records, electronic or otherwise, of the intranet (employees only internal website for your agency) home page, along with a copy of each page connected to the home page via one click, i.e. one level down.	Granted/Denied in Part
FOIA 18-00200-EW	Requesting Louis Hempelmann interview with Paul Hendrickson (31 Jan. 1986) LANL Archives Collection A-2006-006. Repos. No. 8008.	Other Reasons - Request withdrawn
FOIA 18-00199-KM	***Review and Release*** Requesting a list of agency Senior Executive Service (SES) and Schedule C employees, specifically, please provide the name, title, phone number, mail address, and office for each SES and Schedule C employee. Due to time the requester has waived the phone number and emails. ***Please see the file for the list of responsive documents***	Granted in Full
FOIA 18-00198-DO	Requesting medical records, personnel security file, personnel records and radiation exposure records for Harry L. Roberts, Deceased.	Other Reasons - No records
FOIA 18-00197-M	Requesting the unclassified version of any security tests or reviews conducted at the Pantex Plant, including Protective Force Performance Tests, performed since January 1, 2016. The responsive request should include any force-on-force results from the security reviews conducted.	Other Reasons - Duplicate Request
FOIA 18-00196-M	Requesting the unclassified version of any security tests or reviews conducted at the Sandia National Lab, including Protective Force Performance Tests, performed since January 1, 2016. The responsive request should include any force-on-force results from the security reviews conducted.	Other Reasons - Duplicate Request
FOIA 18-00195-M	Requesting the unclassified version of any security tests or reviews conducted at the Los Alamos National Lab including Protective Force Performance Tests, performed since January 1, 2016. The responsive request should include any force-on-force results from the security reviews conducted.	Other Reasons - Duplicate Request
FOIA 18-00194-M	Requesting the unclassified version of any security tests or reviews conducted at the Y-12 National Security Complex, including Protective Force Performance Tests, performed since January 1, 2016. The responsive request should include any force-on-force results from the security reviews conducted.	Other Reasons - Duplicate Request

FOIA 18-00193-M	Requesting the unclassified version of any security tests or reviews conducted at the Savannah River Site, including Protective Force Performance Tests, performed since January 1, 2016. The responsive request should include any force-on-force results from the security reviews conducted.	Other Reasons - Transfer to other Agency
FOIA 18-00192-M	***Five Requests Aggregated into One***Requesting the unclassified version of any security tests or reviews conducted at the Los Alamos National Lab, the Livermore National Lab, Sandia National Lab, the Pantex Plant, and the Y-12 National Security Complex including Protective Force Performance Tests, performed since January 1, 2016. The responsive request should include any force-on-force results from the security reviews conducted.	Other Reasons - Transfer to other Agency
FOIA 18-00191-KM	Requesting medical records, personnel records, x-ray reports, radiation exposure report, occupational and industrial records for William Jewell Mackley, deceased	Granted in Full
FOIA 18-00190-DO	Requesting medical records, personnel security file, personnel records radiation exposure records for Eileen Alvis Greene, deceased	Granted in Full
FOIA 18-00189-EW	Requesting medical records, personnel records, x-ray reports, radiation exposure report, occupational and industrial records for Jimmy Lee Young, Sr., deceased	Granted in Full
FOIA 18-00188-KM	Requesting the Confidential (alleged by LANS) Settlement Agreement entered into by Energy Solutions Government Group and Los Alamos National Security, LLC between May, 2014 and January, 2015, covering activities operated by ESGG on the WCCRF drum packaging facility at Los Alamos National Laboratory and t which the burst drum at WIPP (no. 68660 was packaged in 2013	-
FOIA 18-00187-H	Requesting all material, notes, statements, and or any other correspondence including entire Report of Findings (alleged Hostile Work Environment (J. Martinez) Fact Finding Investigation, prepared by Deborah Gutierrez, of Montech-Inc. located at 2109 Airpark Road, SE 110, Albuquerque, NM 87106 Date of Report is May 4, 2018 and investigated on March 27, March 29 and April 4, 2018. This was commissioned by Mr. Vincent Fisher (OST, ABQ, NM) and contracted/requested through Mr. Jesus Elias-Employee Relations (NNSA-HR, ABQ, NM)	-
FOIA 18-00186-R	Requesting from the Los Alamos National Laboratory (Los Alamos site Office) for purchasing records from 01/01/2013 to current. The request is limited to readily available records without physically copying, scanning or printing paper documents. The specific information requested is: 1. Purchase order number. If purchases orders are not used a comparable substitute is acceptable, i.e., invoice, encumbrance, or check number 2. Purchase date 3. Line item details (detailed description of the purchase) 4. Line item quantity 5. Line item price 6. Vendor ID number, name address, contact person and their email address (If not all options can be provided, Vendor Name only is acceptable)	Other Reasons - No records

FOIA 18-00185-M	<p>Requesting: 1. Any and all records, including discussions of waivers and exceptions, relating to a nuclear cooperation agreement between the United States and Saudi Arabia pursuant to Section 123 of the Atomic Energy Act and including, but not limited to, correspondence to or from the following email domain: @meim.gov.sa 2. Any and all records, including correspondence with attachments, travel records including flight manifests, and interagency discussions, relating to the March 2018 meeting between Energy Secretary Rick Perry and Saudi Arabian Minister of Energy and Industry Khalid Bin Abdulaziz Al-Falih in London 3. Any and all records, including correspondence with attachments, travel records including flight manifests, and interagency discussions, relating to the November 2017 meeting between Energy Secretary Rick Perry and Saudi Arabian Minister of Energy and Industry Khalid Bin Abdulaziz Al-Falih 4. Any and all records, including correspondence with attachments, travel records including flight manifests, and interagency discussions, relating to the March 2017 meeting between Energy Secretary Rick Perry and Saudi Arabian Minister of Energy and Industry Khalid Bin Abdulaziz Al-Falih 5. Any and all communications between NNSA staff and the following entities relating to nuclear cooperation agreements between the United States and Saudi Arabia pursuant to Section 123 of the Atomic Energy Act: Westinghouse ("@westinghouse.com"), Exelon ("@exeloncorp.com"), GE Hitachi Nuclear Energy ("@ge.com"), SunPower Corporation ("@sunpowercorp.com"), Toshiba ("@taec.toshiba.com") 6. Any and all communications between NNSA staff and the following entities relating to nuclear cooperation agreements between the United States and Saudi Arabia pursuant to Section 123 of the Atomic Energy Act: Pillsbury Shaw LLP ("@pillsburylaw.com") David B. Kultgen ("David.Kultgen@kultgenlaw.net" or "David.Kultgen@outlook.com"), Gowling WLG LLP ("@gowlingwlg.com"), King &amp; Spalding LLP ("@kslaw.com") The time period for this search should be from January 20, 2017, to the time the search is conducted. In searching for responsive records, however, please exclude publicly available materials such as news clips that mention otherwise responsive search terms.</p>	Denied in Full
FOIA 18-00184-H	<p>Requesting a copy of records, electronic or otherwise, of the following: all documents pertaining to this incident, which would include, but not be limited to, reports, inspector general investigations, memos, letters, inter-agency communications, emails, etc. that pertain to the An employee at the Los Alamos National Laboratory who has alleged fraud at the facility was badly beaten in the parking lot of a Santa Fe bar over the weekend in what his wife and lawyer yesterday said was an attempt to silence him. The employee, Tommy Hook, had been scheduled to testify before a House committee, elaborating on internal audits that pointed to procurement fraud and financial waste at the lab, which conducts classified work on nuclear weapons, among other research. At a news conference yesterday, Hook's wife, Susan, said Hook had gone to the Santa Fe bar Cheeks late Saturday evening to meet an individual who claimed to have corroborating information about fraud at Los Alamos. But that person never appeared. When Hook got into his car around midnight to leave, several assailants pulled him out, then kicked and punched him.</p>	Other Reasons - Transfer to other Agency

FOIA 18-00183-R	<p>1. "Requesting any and all documents related to reimbursement, provisional reimbursement, accrued legal fees, and related-reimbursements* to the Contractor Lawrence Livermore National Security (LLNS), associated with the DOE 708 Whistleblower Complaint that I Anthony T. Rivera, filed against LLNS, for the period of January 25, 2018 through May 17, 2018. This May 17, 2018 FOIA request will include reimbursements not captured in NNSA FOIA 18-00097-M. • A detailed list of all LLNS accounts charged by LLNS Livermore site Managers by name and amounts charged by date, expended for communications with LLNS LLC Corporate Senior Management, including Bechtel National, University of California, Babcock and Wilcox, Washington Division of URS Corporation, and Battelle, regarding any aspect of my dismissal from LLNS. • All post NNSA FOIA 18-00097-M documents related to DOE/NNSA to the Contractor Lawrence Livermore National Security (LLNS), reimbursement and provisional reimbursement, for accrued legal fees and expenses for the hired legal firm Hanson Bridgett LLP. • Any and all documents related to the total fee (legal fees + expenses) provided to legal firm(s) reimbursed, or provisionally reimbursed from DOE/NNSA to LLNS associated with DOE OHA case WBB-17-0010. • Any and all documents related to the beginning date of each legal fee and expense. • Any and all documents related to the closing date of each litigation fee and expense or state "in progress". • Any and all documents that are related-reimbursements* defined as labor charged by internal LLNS staff in any way associated with DOE OHA case WBB-17-0010. These charges will include but are not limited to:</p> <ul style="list-style-type: none"> <li>• Total charges of Jennifer Achtert</li> <li>• Total charges of Jennifer Szutu</li> <li>• All LLNS internal charges expended in support of LLNS litigation efforts, not directly and completely paid for out of LLNS earnings or profits. This would include the expenses of non-attorney LLNS managers and employees that charged LLNS accounts for contributions to the DOE OHA case WBB-17- 0010. response by Dorothy Liu with the legal firm Hanson Bridgett LLP filed with the DOE OHA on January 23, 2018. This would include but not limited to:</li> <li>• time charged for strategy meetings that were physical, by phone, or email discussions, between lab attorneys and or retained attorneys, with LLNS non-attorney staff actual LLNS account numbers charged and account number descriptions for all LLNS internal charges expended in support of LLNS litigation efforts, not directly and completely paid for out of the LLNS earnings or profits.</li> <li>2. All LLNS reimbursed legal fees + expenses received from the NNSA to pay for the legal services of Dorothy Liu and the legal firm Hanson Bridgett LLP, or other hired legal firm(s), where the deliverable in part or in whole, of those legal services was utilized to defend LLNS for the following reviews where a relationship to my DOE 708 whistleblower complaint detail exists (Example: A safety issue or action by LLNS referenced in my DOE 708 complaint that prompted a contractor legal fee reimbursement allow ability review, or contractor misconduct review by the NNSA Livermore Field Office (LFO) Contracting Officer and or Department Counsel): o DOE Headquarter Legal Counsel meetings, inquiries, or investigations o NNSA Headquarter Legal Counsel meetings, inquiries, or investigations o NNSA LFO Legal Counsel or Contracting Officer meetings, inquiries, or investigations o Meetings, inquiries, or investigations between the NNSA LFO and DOE/NNSA Headquarters</li> </ul>	Granted/Denied in Part
FOIA 18-00182-DO	Requesting records relating to the creation , design, approval and implementation of the Nevada National Security Site's mascot, the Green Reaper	Granted/Denied in Part

FOIA 18-00163-EW	Requesting Eric B. Fowler LASL report from LANL, LA-DC-9544	Granted in Full
FOIA 18-00162-KM	Requesting personnel records of Helen Jane Fritts Dutton, deceased	Other Reasons - No records
FOIA 18-00161-EW	Requests all injury or illness occurrence reports filed to the Computerized Accident Incident Reporting System and the Occurrence Reporting and Processing System, or any other previous reporting system that CAIRS and ORPS may have replaced, under DOE Order 232, for Los Alamos National Laboratory between May 1, 2000 and May 1, 2001. Include reports filled under all possible keywords. Please limit responsive documents to those created from May 1, 2000 and May 1, 2001.	Other Reasons - No records
FOIA 18-00160-DO	Requests information about Victor J. Andrew. His work in Physics, specifically studying Microwave technology in the MET Laboratory. Interested in any government connection to that work and more directly his work related to Los Alamos and the development and testing of the work related to Fermi, Oppenheimer, and Compton.	Other Reasons - No records
FOIA 18-00159-KM	Requesting the following: a) A list of all bidders for the or the management and operation contract of the Los Alamos National Laboratory submitted in the last 12 months. b) Any bids submitted by Purdue University in conjunction with Bechtel Group Inc. for the management and operation contract of the Los Alamos National Laboratory submitted in the last 12 months. c) Any bids submitted by University of California in conjunction with Texas A&M University for the management and operation contract of the Los Alamos National Laboratory submitted in the last 12 months. d) Performance valuations of the Los Alamos National Laboratory for the years 2008 to 2017. e) Any bids submitted by Purdue University in conjunction with Lockheed Martin, New Mexico State University, and the New Mexico Institute of Mining and Technology for the management and operation contract of the Sandia National Laboratory submitted in 2015 or 2016. f) A copy of the management and operation contract agreement between Los Alamos National Security, LLC and the National Nuclear Security Administration.	-
FOIA 18-00158-M	Requesting memos, and associated work cards written by Mike, or Michael Pannell to all addresses with the word "Silica" in the subject line. Plus all associated documents, such as field notes, sketches, drawings, and attachments. The time period in which the records were generated is April 1992 through April 2006. Looking for reports that were generated while an employee at Los Alamos National Laboratory.	Granted/Denied in Part
FOIA 18-00157-H	Requesting the "Workforce Analysis" that was recently completed, mentioned by Hon. Guy B. Roberts, Assistant Secretary of Defense for Nuclear, Chemical, and Biological Defense Programs, before the Strategic Forces Subcommittee, Senate Armed	Granted/Denied in Part

	Services Committee, on the Fiscal Year 2019 Budget Request for Nuclear Forces, April 11, 2018 at 46:45 - 49:20 in the video posted at: <a href="https://www.armed-services.senate.gov/hearings/18-04-00-us-nuclear-weapons-policy-programs-and-strategy">https://www.armed-services.senate.gov/hearings/18-04-00-us-nuclear-weapons-policy-programs-and-strategy</a>	
FOIA 18-00156-R	Requesting Any and all records and/or documents (electronic or otherwise) discussing the nature, requirements for, processes, and outcomes of classification or security review of exhibit text, graphics, pictures, and/or artifacts (including but not limited to nuclear weapon casings) currently or previously on display or held by the institution currently named the National Museum of Nuclear Science and History. This request is for records produced between January 1, 1991 and January 1, 2018 and shall include records produced and referring to the National Museum of Nuclear Science and History under its previous names and affiliations.	Other Reasons - Transfer to other Agency
FOIA 18-00155-M	Briefing slides and other materials related to the presentation to the U.S. House Armed Services Committee on Thursday, Nov. 30, 2017 regarding the Analysis of Alternatives on plutonium pit production. The National Nuclear Security Administration's Analysis of Alternatives for plutonium pit production.	Granted/Denied in Part
FOIA 18-00154-EW	Documents stored at Los Alamos of Rocky Flats. 1. Requesting documents from box number 12137-1 concerning safety studies, hazardous waste, incinerator, disposal as shown in FOIA # CON-18-00011-KM. 2. Documents from box number 13070-1 concerning Post 1983 radio lytic gas impacts from RFP residue elimination Alternatives, RFP ambient air monitoring network. DOE response to Pu recovery modification project, memo and report from RFP to DOE/FRO pm phased resumption of Pu ops, as shown in FOIA # CON 18-00011-KM. 3. Documents from box number 13706-1 concerning documents on Los Alamos Tritium Systems Test Facility which mention Rocky Flats as shown in FOIA # CON 18-00011-KM. 4. Documents from box number 15899-1 containing the following documents (Reconfiguration Project Files for Mound and Rocky flats Receipts for Contaminated Records shipped to LANL 1992-1996 as shown in FOIA # CON 18-00011-KM 5. Documents from box number 16260-1 containing the following documents Post 1983 welding reports, records disposal, shop travelers; engineering orders, as shown in FOIA # CON 18-00011-KM. 6. The entire contents of box number 16611-1, as shown in FOIA # CON 18-00011-KM 7. The entire contents of box number 17913-1, documenting H2 differential program, as shown in FOIA # CON 18-00011-KM 8. Post 1983 Rocky Flats compatibility chemical analysis documents from box number 18925-1, as shown in FOIA # CON 18-00011-KM 9. Post 1983 Rocky Flats Plant radiological logbooks; Rockwell nondestructive testing documents from box number 19275-1, as shown in FOIA # CON 18-00011-KM 10. The entire contents of box number 17921-1, as shown in FOIA # CON 18-00011-KM 11. The entire contents of box number 17031-1, containing Post 1983 R & D reports, materials compatibility studies, health physics research service reports, as shown in FOIA # CON 18-00011-KM	Other Reasons - Request withdrawn

FOIA 18-00153-H	<p>Requests Any and all documents between Los Alamos National Security, LLC, and the Department of Energy Contracting Officer regarding any and all claim or civil action filed, or settlements, between Jan. 1, 2006 and Dec. 31, 2006; and Jan 1. 2016 and April 10, 2018, against any employee of Los Alamos National Security, LLC, or its subcontractors, arising out of work under the contract, as well as the cost associated with the settlement of any such claims or civil action. Please provide all records of notification of such claims, civil action and settlements during the periods listed, and as required under Section B - H-26 Defense and Indemnification of Employees Part D of the Management and Operating Contract for Los Alamos National Laboratory. provide a list of all claims filed between Jan. 1, 2006 and Dec. 31, 2006; and Jan 1. 2016 and April 10, 2018, that fall Public Law 85-804 (SO U.S.C. 1431- 1435) and Executive Order 10789, for claims (including reasonable expenses of litigation or settlement) by third persons (including employees of the Contract) for death; personal injury; or loss of, damage to, or loss of use of property; AND, documentation of notice to the Department of Energy Contracting Officer or other representative for claims that arises out of or results from a risk defined in this contract as unusually hazardous or nuclear that is or is not compensated by insurance or otherwise. Under Appendix A Section VI, subpart b - please provide all notices of advanced approval sought for claims over \$60,000 or for notification of settlements below \$60,000. Examples of the documents we are seeking include, but are not limited to, the following: 1. Electronic communication, letters, faxes, phone logs of notification or related to claims or legal actions 2. Logs or spreadsheets listing legal action by month or year 3. Insurance statements, communication 4. Payment records Please limit responsive documents to those created from Jan. 1, 2006 and Oct. 1, 2007; and Jan 1. 2016 to date this request is processed.</p>	-
FOIA 18-00152-R	<p>Requesting Documentation pertaining to the design, testing, and certification of auxiliary closures described in the publication SAND92-1131 (History of Sandia National Laboratories' Auxiliary Closure Mechanisms) including but not limited to FAC (Fast Acting Closures), TAPS (Tunnel and Pipe Seals), MAC (Main Auxiliary Closures), GSAC (Gas Sealing Auxiliary Closures). This should include auxiliary closure designs used in any underground horizontal line-of-sight nuclear tests at the Nevada Test Site including, but not limited to, the following test shots: Hybla Fair 10/1974, Hybla Gold 11/1977, Miner's Iron 10/1980, Huron Landing 09/1982, Mini Jade 05/1983, Mill Yard 10/1985, Diamond Beech 10/1985, Misty Rain 04/1985, Mighty Oak 04/1986, Middle Note 03/1987, Mission Ghost 07/1987, Mission Cyber 12/1987, Disko Elm 09/1989, Mineral Quarry 07/1990. Any response should include, but not be limited to the following not-previously-released documentation: development history, design notes/correspondence, test reports, manufacturer plans and contracts, failure analyses, description of use in actual test series. Of particular interest is any full motion or slow motion video footage of stand-alone development or certification tests (prior to field use in full-up nuclear tests) of aforementioned auxiliary closures. !=specially any development and certification tests of the 60" and 72" GSAC (Gas Sealing Auxiliary Closure) designs.</p>	-
FOIA 18-00151-M	<p>This request seeks all records associated with contracts and/or grants awarded individually to Keith Payne and/or the National Institute for Public Policy (DUNS No. 077413250) between Jan. 1, 2000 and such a time that this request is closed through disclosure of responsive records. Responsive records should include but not be limited to all pre-award materials including but not limited to solicitations of interest, RFP; contract modifications; descriptions of the work done under the contracts; financial details of the contracts and their durations. Responsive records will also include but not be limited to direct contracts with either of the entities named above as well as subcontracts, personal services contracts, consulting arrangements, or any type of contractual payment submitted by contractors or contractor consortia (such as those at</p>	Other Reasons - No records

	Lawrence Livermore National Laboratory and other sites under the auspices of DOE) to the National Nuclear Security Administration for reimbursement of payments made to either entity.	
FOIA 18-00150-DO	Requesting the following documents: 1. Report from Los Alamos national Laboratory by EM. Jones et al., titles "Low-Yield Nuclear Explosion Calculations: The 9/22/79 VELA Signal (U)" dated May 1982. 2. Report from Sandia National Laboratories by G.H. Mauch, titled "Alert: 747 (U)," dated May 1, 1980	Granted in Full
FOIA 18-00149-KM	Requesting medical records, personnel records, x-ray reports, radiation exposure report, occupational and industrial records for Coy Lee Bunch, deceased.	Other Reasons - No records
FOIA 18-00148-DO	Requests declassification review and release of any reports, produced during late 1957-1961, which may be in Department of Energy files concerning the accident at a plutonium reprocessing plant near Kyshtym (in the former Soviet Union) that took place on 29 September 1957. Please include in your search any relevant records that may be found at Los Alamos National Laboratory.	Other Reasons - No records
FOIA 18-00147-EW	Requesting a copy of all documents and records from the DOE's National Nuclear Security Administration (NNSA) dated between October 12, 2017 and February 12, 2018 that contain the words "nuclear modernization" or "nonproliferation".	Granted in Full
FOIA 18-00146-H	Requesting Tritium Transfer Log 1986-1988 as found in Volume IV -145, Accession or Other ID Number: 434-91-0046 Container Number: 49779 Data includes dates of shipment, building and room numbers to which the samples were shipped, sample numbers, and radiation levels of the samples in picocuries per 100 squared centimeters. Tritium Sampling Records 1975-1984 Volume VI. Please limit the search for 1984. Accession or Other ID Number: 1) 326-82-0003; 2) 434-85-0016 Container Number: 1) 217158; 2) 221758	Other Reasons - Transfer to other Agency
FOIA 18-00145-R	Requesting Any and all records and/or documents (electronic or otherwise) discussing the current status, planning, implementation, or completion of archival, historic preservation, and/or digitization work considered, planned to be done, and/or actually done on copies of the Sandia Corporation/Sandia National Laboratories newsletters that were published between January 1, 1951 and December 31, 1997. This request is limited to responsive documents and/or records produced between January 1, 1990 and January 1, 2018.	Granted in Full
FOIA 18-00144-H	Requesting copies of all email correspondence from or involving LANL employee John L. Sarrao to officials at Stanford University or SLAC National Accelerator Laboratory regarding research misconduct investigations. These emails are over the time period 2/01/2017-3/01/2018	Other Reasons - Not an agency record
FOIA 18-00143-R	Request "The established definitive scope, schedule, and cost baselines as part of the CD-2/3 submission" for the Uranium Processing Facility, as stated in the National Nuclear Security Administration's FY 2019 Congressional Budget Request (page 333).	Granted in Full
FOIA 18-00142-KM	Requesting any and all documents, including but not limited to deeds and chain of title, showing the transfer of ownership of the land which Sandia National Laboratories has been operating in Livermore, California. this request includes the transfer of ownership from private, Alameda County and California State entities to agencies and entities of the U.S. Federal	-

	Government, as well as any and all transfers within and among agencies and entities of the U.S. Federal Government. The time period of this request is from January 1, 1935 to December 31, 2010	
FOIA 18-00141-DO	<p>For the period January 1, 2015 to the present, please produce the following:</p> <ol style="list-style-type: none"> <li>1. All announcements, correspondence, e-mails, articles, and related documents awarding, or concerning the terms of the award, of any projects or contracts to the Babcock and Wilcox Company or related entities, or entities with substantially similar names.</li> <li>2. A list or other documents reflecting any and all work, including the dates, scope of work, tasks completed, and project name, which Mr. Hamid Farzan did on behalf of B&amp;W, or with or for the Department of Energy, Pacific Northwest National Laboratory, or any other government agencies or laboratories, whether paid or unpaid, formal or informal.</li> <li>3. All correspondence, emails, letters, memos, notes, reports and other documents referencing, concerning or related to Mr. Hamid Farzan.</li> <li>4. For all projects on which Mr. Hamid Farzan ever served as the principal investigator, all correspondence, emails, letters, proposal, memos, notes, reports, and other documentation reflecting any changes in the principal investigator or others performing the same or similar function, including the name, qualifications, resume, start and end date (if applicable) of any subsequent principal investigators.</li> <li>5. All communications with B&amp;W related to Mr. Hamid Farzan and his departure from B&amp;W.</li> <li>6. All requests for proposals or RFPs to which the Babcock and Wilcox Company or related entities, or entities with substantially similar names, submitted a bid or proposal as a prime or subprime contractor or partner.</li> <li>7. All bids, proposals, pre-proposals, revised proposals, prospectus, pre-prospectus and other similar documents, including drafts and iterations, submitted by the Babcock and Wilcox Company or related entities, or entities with substantially similar names.</li> <li>8. A list or other documents reflecting any and all work or projects that the Babcock and Wilcox Company, or related entities, or entities with substantially similar names, did with or for the Department of Energy or any other governmental agency, whether paid or unpaid, formal or informal.</li> <li>9. For all work and each project identified in response to request number 4 above, all final report(s) and project closeout documents, and all documents reflecting: the dates of the project; scope of the Babcock and Wilcox Company's or related entities' work; tasks completed by the Babcock and Wilcox Company's or related entities; rate of pay to the Babcock and Wilcox Company's or related entities; hours of work completed by the Babcock and Wilcox Company's or related entities; names and entitles of the principal investigator, contract manager, and other individuals doing any work.</li> <li>10. A list or other documents reflecting any and all work or project that the Department of Energy did for the Babcock and Wilcox Company, or related entities, or entities with substantially similar names, at any point in time, whether paid or unpaid, formal or informal, including the date, location, contact person(s) and description of the work.</li> <li>11. All e-mails, letters, faxes, memos, and other correspondence to or from, by and between the Department of Energy and Dave Van Der Weil, the e-mail address DPVanderWeil@babcock.com or any other e-mail or street address used by Dave Van Der Weil.</li> <li>12. All e-mails, letters, faxes, memos, and other correspondence to or from, by and between the Department of Energy and Larry Davison, the e-mail address ELDavison@babcock.com or any other e-mail or street address used by Larry Davison.</li> </ol> <p>***Please see the request for a complete list of the request.***</p>	Other Reasons - Not a proper FOIA request for some other reason
FOIA 18-00140-EW	<p>Requesting all projects from January 1, 2015 through the present, on which Babcock &amp; Wilcox Company or related entities, did any work, including all modifications, extensions, supplemental and substantially similar awards or projects:</p> <ol style="list-style-type: none"> <li>1. All bids or proposals including, drafts, revisions and prior iterations thereof.</li> <li>2. All contracts, agreements and memorandums of understanding related to the Project.</li> <li>3. All correspondence, reports, e-mails, memos, notes, and other documents relating to referencing or concerning Mr. Hamid Farzan.</li> <li>4. All documents reflecting dates, staffing levels, names and titles of individuals</li> </ol>	Other Reasons - Not a proper FOIA request for some other reason

	who worked on each project or award. 5. All documents reflecting bills, invoices, timesheets, checks, payments or transfer of funds submitted by or to the Babcock and Wilcox Company, or any related entities, or any entities with substantially similar names. 6. All documents reflecting tasks completed by the Babcock and Wilcox Company's or related entities; rate of pay to the Babcock and Wilcox Company's or related entities, and hours of work completed by the Babcock and Wilcox company's or related entities.	
FOIA 18-00139-KM	Requesting ATMX (Atomic Materials Rail Transfer) * Railcar Safety Analysis and Procedures Manual, 1976 * Rocky Flats Welding Procedures and Operating Manuals, 1976-1977, 1979-1981 * ATMX Modification Facility, Building 440, Author: International Engineering Company, United States Energy Research and Development Administration, Albuquerque Operations Office, Rocky Flats Area Office. Publisher: Denver: International Engineering Co., 1976. World Cat Invitation No. 292-76-36.	-
FOIA 18-00138-DO	Requesting medical records, personnel security file, personnel records, OPM Background Investigation, radiation exposure records for Clara G. Moore, deceased.	Granted in Full
FOIA 18-00137-EW	Requesting any and all CXR Views and all PFT/Spirometry testing on Raymond Pollard, deceased	Granted in Full
FOIA 18-00136-KM	Requesting medical records, personnel security file, personnel records, radiation exposure records on Charles W. Carney Sr., deceased.	Granted in Full
FOIA 18-00135-DO	Requesting medical records, personnel security file personnel records, radiation exposure records for Otto Morgan Jr., deceased	Granted in Full
FOIA 18-00134-EW	Requesting medical records, personnel records, x-ray reports, radiation exposure report occupational and industrial records, all employment records of Sammie Owen Venable, deceased.	Granted in Full
FOIA 18-00133-H	Requesting documentation which includes, but may not be limited to the following: • Source and Special Material Shipping Forms. These forms were used to document Sylcor's nuclear material transfers as a "shipper" and/or "receiver" during the period of interest to us. Commercial transactions approved by the U.S. Atomic Energy Commission (AEC) were recorded in AEC Form 388. Transactions involving direct government work were documented in AEC Form 101. We are interested in release of any relevant forms as well as any and all documentation accompanying the forms, including, but not limited to correspondence. • Monthly Material Balance Reports. These were recorded on AEC Form 577 for the period of interest2 and were submitted by Sylcor to the AEC. • Cumulative Material Balance Reports covering the period 1951–1966. These forms or inventory reports were also known as "June Reports." AEC forms of interest may include modified AEC Form 577 as well as AEC Form 578. • Any and all associated schedules, sub-schedules, or other documents attached to, or referenced by the Monthly Material Balance Reports and the Cumulative Material Balance Reports. I am interested especially in any schedules, sub-schedules, or other documents that document nuclear materials transfers not otherwise documented on Source and Special Material Shipping Forms (AEC Forms 388 and 101).	Other Reasons - No records
FOIA 18-00132-R	Requesting contracts granted to a private entity, General Atomics, by a government agency, the NNSA	-

FOIA 18-00131-KM	Requesting radiation exposure report, personnel records, occupational and industrial records for Clarence William Moore, deceased	Other Reasons - No records
FOIA 18-00130-DO	Requesting all records of Robert Lynn Kemp, deceased. he worked at a army ammunition plant.	Other Reasons - No records
FOIA 18-00129-EW	Requesting: 1. Copy of NNSA "plutonium pit production" report from 2017 on which this presentation was based: "Plutonium Pit Production analysis of alternatives (AoA) Results & Next Steps." 2. Any cover letters, attachments to or analyses of the above-requested report.	Granted/Denied in Part
FOIA 18-00128-KM	Requesting information on Dr. David F. Eggers, Jr., (deceased,)the work he may have done at the K-25 and Y-12 plants on the diagram provided. Also the work performed during the Manhattan Project at K-25 and Y-12	Other Reasons - No records
FOIA 18-00127-DO	Requesting: 1. Annual Department of Energy report to Congress by February 15, 2018 as to the status of the Mixed Oxide Fuel Fabrication Facility at the Savannah River Site, as required by "SEC.3182. DISPOSITION OF WEAPONS-USUABLE PLUTONIUM AT SAVANNAH RIVER SITE" of the NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2003. 2. All cover letters and attachments to the above report.	Other Reasons - No records
FOIA 18-00126-EW	Requesting 1. any documents or analyses of the proliferation risks of management of spent fuel from the long-closed German AVR and THTR gas-cooled reactors that have been prepared since August 1, 2013. Such documents(s), including memos and emails, may be called such things as a non-proliferation impact assessment" or could be a memo on "proliferation attractiveness" of the material. 2. All cover letters and attachments to the above documents. 3. any type of (non-)proliferation assessments of the techniques being developed at the Savannah River Site to digest graphite spent fuel from the AVR and THTR gas-cooled reactors and, cover letters or attachments to the requested items(s).	Other Reasons - No records
FOIA 18-00125-M	Requesting 1. All NNSA Livermore Field Office (LFO) documentation Associated with the Allow ability of Reimbursements to Lawrence Livermore National Security (LLNS) for all litigation legal fees and expenses to defend against former LLNS Employee Anthony T. Rivera in District Court, and through all DOE OHA Investigations and Hearing Processes 2. Total itemized dollar amount reimbursed to LLNS to date for all litigation legal fees and expenses to defend against former LLNS Employee Anthony T. Rivera in District Court, and through all DOE OHA Investigations and Hearing Processes. 3. Total itemized dollar amount provisionally reimbursed to LLNS to date for all litigation legal fees and expenses to defend against former LLNS Employee Anthony T. Rivera in District Court, and through all DOE OHA investigations and Hearing Processes. 4. LLNS requested reimbursement dollar amounts deemed unallowable by the NNSA LFO Contracting Officer to date for all litigation legal fees and expenses to defend against former LLNS Employee Anthony T. Rivera in District Court, and through all DOE OHA Investigations and Hearing Processes 5. NNSA LFO Contracting Officer review, analysis, and conclusions pertaining to the allow ability, approval, or disapproval of reimbursements to date, for any and all litigation legal fees and expenses to defend against former LLNS Employee Anthony T. Rivera in District Court, and through all DOE OHA Investigations and Hearing Processes 6. Documents exchanged between the Contracting Officer and Department Counsel in considering or determining contractor reimbursement for all litigation legal fees and expenses to defend against former LLNS Employee Anthony T. Rivera in District Court, and through all DOE OHA Investigations and Hearing Processes 7. All documents that demonstrate the contractor was "responsible for accounting for whistleblower proceeding costs appropriately for maintaining records,	-

	including supporting documentation, adequate to demonstrate that costs claimed have been incurred, are allowable to the contract and comply with FAR and DEAR cost principles." related to all litigation legal fees and expenses to defend against former LLNS Employee Anthony T. Rivera in District Court, and through all DOE OHA Investigations and Hearing Processes 8. Documents exchanged between Department Counsel and LLNS contractor counsel regarding legal costs expected or determined to be in excess of \$100,000 viewed as a Department "significant matter", related to all litigation legal fees and expenses to defend against former LLNS Employee Anthony T. Rivera in District Court, and through all DOE OHA Investigations and Hearing Processes	
FOIA 18-00124-H	Requesting information, documents, photos, testimony, and reports pertaining to a reported accident/incident involving a nuclear weapon in or about January 1968 on the Island of Terceira, on or near Lajes Air Base in the Azores Islands.	Other Reasons - No records
FOIA 18-00123-R	Requesting the NNSA's Analysis of Alternatives for plutonium "pit" production and any materials on the analysis to the House Armed Services Committee in November	-
FOIA 18-00122-M	Requesting The Safety Design Strategy for upgrading RLUOB from a radiological facility to a hazard category-3 nuclear facility. This document was referenced in the Defense Nuclear Facilities Safety Board (DNFSB) "Los Alamos Activity Report for Week ending February 16, 2018"	-
FOIA 18-00121-H	Requesting access to the following records pertaining to the Lawrence Livermore Laboratory - Pulsed Power substation - DOE Contract # W-7405-ENG-48: 1. Any contracts, specifications, status reports, or correspondence which pertain or relate to any and all construction activities at the site which occurred at any time from the time of original construction copy attached 10th symposium on Engineering Problems of Fusion Research. 2. Any and all documents that identify the insurance coverage, insurance carrier or policies of insurance, including insurance certificates, insurance questionnaire responses or correspondence for Scott-Buttner Corporation.	Granted in Full
FOIA 18-00120-DO	Requesting medical records, radiation exposure report, personnel records, occupational and industrial records on Robert L. Finch, deceased	Granted in Full
FOIA 18-00119-R	Requesting a complete copy of any and all contracts between Sandia National Laboratories and Manzano Laboratories, Inc. between the dates of 1967 through 1979, inclusive, as may exist in the records of the U.S. Department of Energy, and/or records within NNSA jurisdiction.	Other Reasons - No records
FOIA 18-00118-EW	Requests 1. All requests for proposals submitted by federal prime contractor G4S SECURE SOLUTIONS (USA) INC, (DUNS Number: 001903723), to the United States Department of Energy from January 1, 2008 to February 12, 2018, along with all supplemental documents. Please note the contractor's former name is WAKENHUT CORP. 2. All approved G4S/WACKENHUT contracts awarded in that same time period. 3. Requester amended the request to include: All DOE contracting information--namely, RFP's and contracts awarded--to include W.S.I. and Wackenhut Security incorporated, in addition to G4S, G4S Secure Solutions and Wackenhut, from January 2008 to February 2018.	-

FOIA 18-00117-M	Requesting a complete, unedited (including but not limited to the removal of columns or specific items) and searchable electronic copy of: 1. NNSA's complete FOIA request log(s) covering FOIA requests for NNSA directly as well as FOIA requests which NNSA handles on behalf of other offices (i.e. Kansas City, Livermore, Los Alamos, Nevada, NNSA Production, Sandia, Savannah River, NNSA Albuquerque Complex). 2. The record whose description follows: The spreadsheet(s), database(s), log(s), etc. which track(s) the disposition, status, and/or fee status of FOIA requests, if there exists such a record which is separate from the record requested in item #1. 3. The record whose description follows: The spreadsheet(s), database(s), log(s), etc. which in any way track(s) the specific records provided in response to FOIA requests, if there exists such a record which is separate from the record requested in items #1 or #2. The date range for my request is 01/01/2016 until the date this request is processed.	Granted/Denied in Part
FOIA 18-00116-KM	Requesting medical records, personnel security file, personnel records, radiation exposure records for Taskel Dishman, deceased	Granted in Full
FOIA 18-00115-DO	All records for Gary L. Ray Sr., deceased	Granted in Full
FOIA 18-00114-H	Requesting any and all analyses of alternatives for plutonium pit production conducted in any of the years 2012, 2013, 2014, 2015, and 2016	Other Reasons - No records
FOIA 18-00113-R	Requesting any and all correspondence from the Senate and House armed services committees to the Department of Energy (DOE) during calendar years 2016 & 2017 regarding DOE's (including NNSA's) plutonium pit production Analysis of Alternatives. Any and all correspondence from DOE to the Senate and House armed services committees during calendar years 2016 & 2017 regarding DOE's (including NNSA's) plutonium pit production Analysis of Alternatives.	Other Reasons - Duplicate Request
FOIA 18-00112-M	Requesting agency's current firearms policy for law enforcement officers. Please include areas of policy for carrying duty-weapons while off-duty as well as carrying personal weapons off-duty.	Other Reasons - Transfer to other Agency
FOIA 18-00111-H	Requesting "A Proposal for an Advanced Radiographic Facility in the ULA Complex - Using a Demonstrated Technology from a Commercially Available source" referenced in "National Nuclear Security Administration National Security Technologies, LLC (NSTec), Fiscal Year 2014 Performance Evaluation Report (PER), NNSA Nevada Field Office (NFO)"	-
FOIA 18-00110-R	Requesting the newest version of each of the following Product Realization Standard Design Guides maintained by Sandia National Lab for Nuclear Weapons Complex: DG10000 through DG10330 (please see attached request)	-
FOIA 18-00109-M	Requesting html or shtml "index" page of: <a href="https://pr.sandia.gov/Design%20Guides/">https://pr.sandia.gov/Design%20Guides/</a> and html or shtml "index" page of : <a href="https://pr.sandia.gov">https://pr.sandia.gov</a> and <a href="https://int.lanl.gov/org/padops/adnho/engineering-services/conduct-engineering/design-guides.shtml">https://int.lanl.gov/org/padops/adnho/engineering-services/conduct-engineering/design-guides.shtml</a>	Granted in Full
FOIA 18-00108-H	Requests a copy of the 1993 Sandia National Laboratories study, A Systematic Analysis of the southwest Border in its entirety ("The Records").	Granted/Denied in Part

FOIA 18-00107-R	Requesting the Organizational Charts for the Chief information Officer of National Nuclear Security Administration Service Center. something that includes the names and titles/departments of the people who report to the Chief information Officer of National Nuclear Security Administration Service Center. Also that this Organizational Chart contain the direct reports of the people reporting to the Chief Information Officer. Also, contact information on the people listed in the above organizational charts to include Business Address, Direct Business Telephone Number and Business Email Address.	Other Reasons - Records not reasonably described
FOIA 18-00105-M	Requesting: a) a copy of the FOIA request letter and all subsequent correspondence sent and received (inclusive of responsive records as well as any appeal letters and determinations, as applicable) as well as all processing notes for the following NNSA FOIA requests, and for any FOIA request not listed below by requester "Cheng Che (Chen)" FOIA 13-00085-E, FOIA 13-00088-J, FOIA 13-00104-K, FOIA 13-00193-K, FOIA 13-00230-R, FOIA 13-00254-E, FOIA 13-00070-E, FOIA 13-00072-K b) Additionally, requests an electronic copy of every non-duplicative DVD provided to FOIA requesters since 01/01/2010 as long as the DVD contains photographs, videos, or both. Also requests an electronic copy of all non-DVD motion picture records provided to requesters since 01/01/2010	-
FOIA 18-00104-H	Requesting a copy in the highest resolution/quality available - preferably that of the original scan and any associated video records(s) produced-of every nuclear test film that has been declassified and digitized as part of Dr. Spriggs' project. Additionally and as applicable, I request a copy of any and all color corrected or otherwise enhanced copies of the original scanned nuclear test films. Also requests an electronic copy of the original as well as the amended (see LLNL-TR-727297) MOU between LANL and LLNL regarding film digitization, as well as an electronic copy of all contracts for staff and/or services associated with the film digitization period.	Granted/Denied in Part
FOIA 18-00103-R	Requesting: * The "Engineering Analysis" (EA) and/or the "Engineering Feasibility Report" for "both" plutonium pit production alternatives at Los Alamos National Laboratory (LANL) and the Savannah River Site (SRS); And also, if distinct from or available sooner than the above. * "Pre-conceptual design options," including" pre-conceptual layouts and cost/schedule estimates," for the alternatives under consideration.	-
FOIA 18-00102-KM	Requesting: 1. all non-disclosure agreements and other agreements, including templates or standard forms of such agreements, imposing prepublication-review obligations on agency and/or former agency employees. 2. all documents relating to administrative appeals filed from prepublication-review determinations, including but not limited to: a. administrative appeals; b. any correspondence or back-and-forth between an agency and an individual who filed an administrative appeal; and c. final decisions with respect to administrative appeal 3. all documents relating to any form of sanction imposed, or considered for imposition, on agency and/or former agency employees for failure to comply with their prepublication review obligations.	Other Reasons - No records
FOIA 18-00101-DO	Requesting Project Gasbuggy, part of operation Plowshares. Would like the Historical records of source location of the originally poured in liquid radioactive material. The type of radioactive materials and the volumes of radioactive waste placed down the drill hole to the chamber. Would like the list of historical to the current time legacy studies prepared or released since the project completion	Other Reasons - No records

FOIA 18-00100-M	Requesting a complete copy of any and all U.S. Department of Energy contracts for the use of facilities and/or services of Manzano Laboratories, Inc. as may exist in the records of the U.S. Department of Energy, within NNSA jurisdiction.	Other Reasons - No records
FOIA 18-00099-H	Requests: 1. All documents evidencing or constituting Randolph Construction Services, Inc.'s submission and/or transmission to the National Nuclear Security Administration of costs incurred in connection with Contract Number DE-AM52-08NA28443, which costs have been determined to be unallowable per the findings of the Defense Contract Audit Agency's Audit Report Number 4411-2008N10100010 (dated August 1, 2014), as set forth in the National nuclear Security Administration's December 12, 2017 letter (Subject-Contract DE-AM52-08NA28443 (Design Integration, Construction, Communications, and Engineering) Contracting officer's Final Decision-Notice to Disallow Direct Travel Costs and Direct Labor Costs), attached hereto as Exhibit "A" 2. All documents evidencing or constituting Randolph Construction Services, Inc.'s submission and/or transmission to the National Nuclear Security Administration of costs proposals in connection with Contract Number DE-AM52-08NA28443 for costs have been determined to be unallowable per the findings of the Defense Contract Audit Agency's Audit Report Number 4411-2008N10100010 (dated August 1, 2014), as set forth in the National Nuclear Security Administration's December 12, 2017 letter (Subject - Contract DE-AM52-08NA28443 (Design Integration, Construction, Communications, and Engineering) Contracting Officer's Final Decision - Notice to Diallow Direct Travel Costs and Direct Labor Costs), attached hereto as Exhibit "A"	Other Reasons - Request withdrawn
FOIA 18-00098-R	Requesting that the NNSA FOIA Office provide the date that each of the five FOIA requests/notifications below were forwarded by email and or regular mail to the NNSA Livermore Field Office, the NNSA Contractor Lawrence Livermore National Security (LLNS), and to any other DOE/NNSA location (if applicable). * FOIA Request assigned NNSA Control Number FOIA 18-00022-M on October 20, 2017. * FOIA Request assigned NNSA Control Number FOIA 18-00016-R on October 23, 2017. * FOIA Request assigned NNSA Control Number FOIA 18-00023-R on October 30, 2017. * FOIA Request assigned NNSA Control Number FOIA 18-00045-K on November 20, 2017. * FOIA Request assigned NNSA Control Number FOIA 18-00097-M on January 25, 2018.	Other Reasons - Not a proper FOIA request for some other reason
FOIA 18-00097-M	Requesting any and all documents related to reimbursement, provisional reimbursement, accrued legal fees, and related-reimbursements to the Contractor Lawrence Livermore National Security (LLNS), associated with the DOE 708 Whistleblower Complaint that I Anthony T. Rivera, filed against LLNS, for the period of November 18, 2017 to January 24, 2018. This January 24, 2018 FOIA request will include reimbursements not captured in NNSA FOIA 18-00045-K to include: * A detailed list of all LLNS accounts charged by LLNS Livermore sire Managers by name and amounts charged by date, expended for communications with LLNS LLC Corporate Senior Management, including Bechtel National, University of California, Babcock and Wilcox, Washington Division of URS Corporation, and Battelle regarding any aspect of my dismissal from LLNS. * All post NNSA FOIA 18-00045-K reimbursement expenses accrued and or charged by Dorothy Liu and the legal firm Hanson Bridgett LLP, for construction of their DOE OHA document titled "Respondent Lawrence Livermore National Security, LLC's Response to Complainant/Appellant's Petition fro Secretarial Review" dated January 23, 2018 on behalf of LLNS regarding OHA case WBB-17-0010. * Any and all documents related to DOE/NNSA to the Contractor Lawrence Livermore National Security (LLNS), reimbursement and provisional reimbursement, for accrued legal fees and expenses for the hired legal firm Hanson Bridgett LLP. * Any and all documents related to the total fee (legal fee+expenses) provided to legal firms(s) reimbursed, or provisionally reimbursed from DOE/NNSA to LLNS associated with DOE OHA case WBB-17-0010. * Any and all documents related to the beginning date of each legal fee and expense. * Any and all documents related to the closing date of each	Granted/Denied in Part

	litigation fee and expense or state "in progress" * Any and all documents that are related-reimbursements *defined as labor charged by internal LLNS staff in any way associated with DOE OHA case WBB-17-0010. These charges will include but not limited to: Total charges of Jennifer Achtert, total charges of Jennifer Szutu, all LLNS internal charges expended in support of LLNS litigation efforts, not directly and completely paid out of LLNS earnings or profits. This would include the expenses of non-attorney LLNS managers and employees that charged LLNS accounts for contributions to the DOE OHA case WBB-17-0010 response by Dorothy Liu with the legal firm Hanson Bridgett LLP filed with the DOE OHA on January 23, 2018. This would include but not limited to: *time charged for strategy meetings that were physical, by phone, or email discussions, between lab attorneys and or retained attorneys, with LLNS non-attorney staff *actual LLNS account numbers charged and account number descriptions for all LLNS internal charges expended in support of LLNS litigation efforts, not directly and completely paid for our of the LLNS earnings or profits.	
FOIA 18-00096-H	Requesting any records contained in the Lawrence Livermore National Laboratory (LLNL), Los Alamos National Laboratory (LANL), and Sandia National Laboratories archives pertaining to a nuclear weapon project code-named FLASHBACK that was worked on in the early-to-mid-1960's.	-
FOIA 18-00095-R	Requesting annualized totals of the number of mail cover surveillance requests made by the NNSA to the United States Postal Inspection Service each year from 2007-2017.	Other Reasons - No records
FOIA 18-00094-DO	Requesting any and all records regarding, concerning or relating to the company Uranium One (otherwise known as Uranium One, Inc. or SXR Uranium One, Inc.), including but not limited to records of communication sent to and from officials in the following offices: *Office of the Secretary of Energy; *Office of the Under Secretary for Nuclear Security and National Nuclear Security Administration; *Office of the Deputy Administrator for Defense Nuclear Nonproliferation; *Office of the Associate Administrator for Defense Nuclear Security *Office of the Deputy Administrator for Defense Programs *Office of the Deputy Under Secretary for Counter-terrorism and Counter-proliferation; *Office of the Associate Administrator for Acquisition and Project Management; *Office of the Under Secretary of Energy; *Office of the Assistant Secretary for Nuclear Energy. The time frame for the requested records is January 20, 2009 through December 31, 2013.	Other Reasons - No records
FOIA 18-00093-EW	Requesting personnel records to include dates of employment and job titles for Earl Henry Wilson, deceased	Other Reasons - No records
FOIA 18-00092-KM	Requesting all Department of Energy records available on Homer D. Tyler Sr., deceased	Other Reasons - No records
FOIA 18-00091-DO	Requesting Personnel Records, occupational and industrial records for George Washington Liford, deceased	Other Reasons - No records
FOIA 18-00090-EW	Requesting NNSA Report and Presentation on "Plutonium Pit Production analysis of Alternatives (AoA) Results & Next Steps" 1.Presentation entitled " "Plutonium Pit Production analysis of Alternatives (AoA) Results & Next Steps" dated November 2017 2. Copy of any report or analysis on which the above presentation was based. 3. A copy of any pit production report or	Other Reasons - Not a proper FOIA request for some other reason

	analysis conducted in Fiscal Year 2018. 4. A copy of the report entitled "Plutonium Pit Production Analysis F 2017". 5. All cover letters and attachments to the above presentations and reports.	
FOIA 18-00089-KM	Requesting declassification review and release of "Draft Working Paper" prepared at Sandia National Laboratories: "Strawman Discussion Topics for the DOE's Nuclear Weapons/Nuclear Weapons Systems (NW/NWS) Safety Management Process Review," May 1988, IN 250/66	Granted in Full
FOIA 18-00088-DO	Requesting copies of all Interagency Personnel Act agreements since January 1, 2016 that assign employees of Los Alamos National Security, LLC (LANS, LLC) or Lawrence Livermore National Security, LLC (LLNS. LLC) to positions in the National Nuclear Security Administration, the US Department of Energy, the US Department of Defense, and/or any committee or sub-committee of the United States Congress. Also requesting copies of all conflict-of-interest statements signed by any of the personnel in question.	Granted/Denied in Part
FOIA 18-00087-M	Requesting Awarded Contract for Sandia National Laboratories project titled: HVAC Replacement at Building 869 AH01 at Albuquerque, New Mexico Facility. Also request copy of Bond documents submitted to Sandia Labs in response to this contract award. Also request copies of pay requests submitted by absolute Mechanical LLC. (Sub Contractor to Burns McDonnell) and contract payments made by Sandia Labs to Burns McDonnell (Prime Contractor). Payments denied and reason for denial.	Other Reasons - No records
FOIA 18-00086-H	Requesting documents regarding Los Alamos National Laboratories Radioactive Liquid Waste Treatment Facility-Low Level Waste Project. 1. Seeks the documents in the possession and custody of the NNSA as the contracting officer for the above-identified contract. 2. Seeks all documents prepared by the NNSA in its oversight role on the project, including any PADOPS or surveillance reviews; copies of any schedules for the work on the project presented by Los Alamos National Security, LLC; correspondence between NNSA and Los Alamos National Security, LLC related to the project; and any agreements between NNSA and Los Alamos National Security, LLC specific to the project.	Other Reasons - Not a proper FOIA request for some other reason
FOIA 18-00085-M	Requesting: SAND76-5035, D.H. Loescher and N.A. Sidnell, "Film Capacitors with Low Internal Inductance"	Granted in Full
FOIA 18-00084-EW	***SEARCH AND RETURN BACK TO HQ-GC*** Requesting Anti-Harassment Program Reports from January 20, 2017 through the present: Requesting copies of records of anti-harassment program reports created by the U.S. Department of Energy from January 20, 2017 through the present. Anti-Harassment Program Implementation Records from January 20, 2017 through the present: Requesting copies of records of any anti-harassment programs implemented by the U.S. Department of Energy from January 20, 2017 through the present.	Other Reasons - No records
FOIA 18-00083-KM	Requesting beginning and end dates of employment, and work locations for James William Saylor (deceased) during his employment on the Manhattan Project, Oak Ridge, TN	Other Reasons - No records
FOIA 18-00082-DO	Requesting beginning and end dates of employment and work locations during Christine Flinchem Saylor's (deceased) employment on the Manhattan Project, Oak Ridge, TN	Other Reasons - No records

FOIA 18-00081-H	Requests FOIA request log covering 2017, which includes a field showing the subject of each request and a field for the final disposition.	Granted in Full
FOIA 18-00080-EW	Requesting a copy of the following documents identified to DEDT0007776: 1. Task order DEDT0007776 awarded under contract GS10F0321V including, but not limited to: PWS, additional terms and conditions, LCAT descriptions, Task Area, TO process, NAICS Code list, Small Business Plan.	Granted/Denied in Part
FOIA 18-00079-KM	Requesting the incident report submitted to DOE's Occurrence Reporting and Processing System under NA-LASO-LANL-PHYSCOMPLX-2017-00001, Near MissL Worker Enters Room During Low Oxygen Alarm Activation, dated September 18, 2017. Please provide all reports related to the incident on September 13, 2017. Please provide any correspondence in regard to worker safety incidents in August or September 2017.	-
FOIA 18-00078-DO	Requesting documents specified limited to those created or communicated between Jan. 1, 2016 and Dec 31, 2017. Documents reflecting all interactions between Department of Energy employees (current or those employed between the time frame given above) and any employee working and/or associated with a Koch industries entity, including but not limited to: All email correspondence including one or more email addresses with "@kochps.com" All email correspondences including one or more email addresses with "@kochind.com" All email correspondences including one or more email addresses with "@Koch" All written correspondence (fax and/or letter) where the address (from and/or to) includes the word "Koch." **Please note: requester agreed to amend the request to limit the search to the following individuals: Secretary Rick Perry, Deputy Secretary Dan Boulillette, Chief of Staff Brian McCormack, Inspector General Rickey Hass, April Stephenson, Frank Klotz, Patricia Hoffman, Mark Menezes, Shari Davenport, Steve Binkley, Steve Winberg, Daniel Simmons, Edward McGinnis, Bruce J. Walker, Christopher Clark Deschene, Rochelle Blaustein, Ingrid Kolb, Robert Gibbs, Max Everett, James M. Owendoff, Carmelo Melendez, Andre Sayles, Poli Marmolejos, Matthew B. Moury, Paul Bosco	Other Reasons - No records
FOIA 18-00077-EW	Requesting: 1. All documents and attachments-including emails, memos and written plans - related to the receipt at U.S. Department of Energy sites, including the Savannah River Site, of nuclear weapons and Special Nuclear Material removed from North Korea. 2. All documents related to storage and disposition at U.S. Department of Energy sites, including the Savannah River Site, of plutonium and/or highly enriched uranium (HEU) received from North Korea, either in raw form or in the form of plutonium pits or HEU components removed from North Korean nuclear weapons or its weapons program.	Other Reasons - No records
FOIA 18-00076-KM	Requesting a copy of a November 2017 DOE report to Congress entitled "MOX Fuel Fabrication Facility Construction and Operations"	Granted in Full
FOIA 18-00075-R	Requesting the following: 1. Copies of all original handbooks, desk-books, desktop guides, and training aids developed for or provided to DOE and NNSA individuals qualified as, or training to become Contracting Officer Technical Representatives ("COTRs"). a. This request includes, but is not limited to all iterations of the Department of Energy contracting Officer Representative's Handbook utilized to provide DOE training in July 2012 b. This request specifically includes all responsive documents, in their entirety, including all attachments and appendices, as well as any paper or electronic training and Department of Energy (DOE) or National Nuclear Safety Agency (NNSA) announcements pertaining to such responsive documents	Other Reasons - Transfer to other Agency

FOIA 18-00074-M	This request relates to construction of the MOX facility at the Savannah River Site in Aiken County, and seeks the following records. 1. Fiscal Year 2017 Award Fee Determination Scorecard(s) by DOE/NNSA for fee award CB&I Areva MOX Services related to the design and construction of the MOX plant at the Savannah River Site. 2. Fiscal Year 2017 Performance Evaluation Report(s) (PERs) by DOE/NNSA for CB&I Areva MOX Services related to the design and construction for the MOX plant at the Savannah River Site. 3. Any attachments to the above documents, including cover letters.	Other Reasons - No records
FOIA 18-00073-M	**Two requests aggregated into one** 1. Requesting Plutonium Pit Production Analysis of Alternatives (AoA) Results and Next Steps. 2. The text of any review conducted by NNSA's Office of Cost Estimating and Program Evaluation (CEPE) of NNSA's Plutonium Pit Production Analysis of Alternatives (AoA).	Granted in Full
FOIA 18-00072-R	Requesting a copy of all reports prepared for NNSA by the JASON scientific advisory panel for NNSA in calendar year 2017.	Other Reasons - No records
FOIA 18-00071-H	Requesting the following document: National Nuclear Security Administration, surplus Plutonium Disposition Project: analysis of alternatives, (April 2017)	Denied in Full
FOIA 18-00070-DO	This request applies to construction of the Mixed Oxide Fuel Fabrication (MMFF) at the DOE's Savannah River Site: 1) Fiscal Year 2017 Award Fee Determination Scorecard(s) for fee award for CB&I AREVA MOX Services in the design and construction of the MOX plant at the Savannah River Site; 2) Fiscal Year 2017 Performance Evaluation Report(s) (PERs) for CB&I AREVA MOX Services in the design and construction of the MOX plant at the Savannah River Site; 3) Any attachments to the above documents, including cover letters.	Other Reasons - No records
FOIA 18-00069-EW	Requesting all responsive records related to: Rossotrudnichestvo, Tennessee, Howard Truitt Kerr, Tennessee International Partnership Services. Please note: Requester narrowed the search to "The records we are hoping to locate would be related to ORNL/Y-12. Anything that indicates a relationship between ORNL/Y-12 and Tennessee International Partnership Services (TIPS), Howard Kerr, and/or Rossotrudnichestvo."	Other Reasons - No records
FOIA 18-00068-R	Requesting the following documents: Any a) briefing slides, and b) Reports created by the NNSA's Cost Estimating and Program Evaluation (CEPE) office pertaining to CEPE's review of the NNSA's Analysis of Alternatives for expanding plutonium pit production, approximate date of November 2017.	Granted in Full
FOIA 18-00067-H	Requesting all personnel files for David Jonas, who served as Deputy General Counsel at NNSA starting in 2001 and then as General Counsel. Please include any documents related to Jonas' departure from the agency, such as a resignation letter or termination notice.	Other Reasons - No records
FOIA 18-00066-KM	Requesting all sampling data in possession of DOE of the Russian Uranium that was shipped to the US and processed at Paducah Ky. and Portsmouth OH under the Megatons to Megawatts agreement. This should include sampling data from any US facility and also any Russian sampling that may have been completed.	Denied in Full

FOIA 18-00065-DO	***Two requests aggregated into one*** 1. Requests a copy of the letter sent between Los Alamos National Laboratory lab director Charles McMillian and the Department of Energy regarding the NNSA's Analysis of Alternatives on plutonium pit production dated roughly Dec. 11, 2017. Please also provide the Department of Energy's letter/report on the NNSA's Analysis of Alternatives on plutonium pit production. Please provide any correspondence, drafts, or memos regarding the NNSA's Analysis of Alternatives on plutonium pit production. 2. Los Alamos National Laboratory Nonconformance Tracking System report NC ID:484 and NC ID: 1219.	Granted/Denied in Part
FOIA 18-00064-EW	Requesting: 1. All calendars or calendar entries for any of the following individuals between the date of January 20, 2017, to the date a search is conducted, including any calendars maintained on behalf of these individuals (e.g., by an administrative assistant or scheduler): * Secretary Rick Perry * Dan Brouillette, Deputy Secretary * Brian McCormack, Chief of Staff * Deputy Chief of Staff to Brian McCormack * Frank G. Klotz, Under Secretary for Nuclear Security Administrator (NNSA) 2. Any calendars maintained for the Secretary's Conference Room, and the Deputy Secretary's Conference Room.	-
FOIA 18-00063-M	Requests a copy of the film "Naval Atomic Weapons Vulnerability Program", which can be found under the accession number 0800045.	Granted in Full
FOIA 18-00062-KM	Requesting "investigative report about me conducted by Edward Neil McCorkindale on how I was being treated. The report was finished end of March or April 2017."	-
FOIA 18-00061-R	Requesting a copy of correspondence from Congressman Michael Grimm. Please search for documents from January 3, 2013-January 5, 2015. I am specifically looking for correspondence regarding policy, legislation, or regulations, recommendations for executive branch positions or appointments, or support or opposition to federal funding for programs, projects, or companies. I am not requesting documents related to Congressional casework.	Other Reasons - No records
FOIA 18-00060-H	Requesting NNSA's Analysis of Alternatives for expanding plutonium pit production, 2013	Other Reasons - No records
FOIA 18-00059-DO	Requesting the clearance number and/or where it was used in OR, TN. medical records, personnel records, radiation exposure report, occupational and industrial records for James S. Wynn (deseased)	Other Reasons - No records
FOIA 18-00058-M	Requesting all emails, memos, official correspondence, hand written or typed notes, and Skype for Business messages pertaining to an incident in the Forrestal Health Unit on 10/25/2017 involving employee Jacquelin McKisson (NNSA/NA-MB-70). In particular, records identifying the names and positions of all parties involved in the incident and their statements of events; the FOH Policy for services provided for routine walk-ins; licensure and medical certification/documentation for all FORS Health Unit Staff; list of all training received by FORS Health Unit staff in the past 3 years; list of all complaints filed against FORS Health Unit staff in the past 3 years.	Other Reasons - Transfer to other Agency
FOIA 18-00057-H	Requesting the following documents: -Any and all correspondence from the Senate and House armed services committees to the National Nuclear Security Administration (NNSA) during calendar years 2016 & 2017 regarding NNSA's plutonium pit	Other Reasons - No records

	production Analysis of Alternatives. - Any and all correspondence from NNSA to the Senate and House armed services committees during calendar years 2016 & 2017 regarding NNSA's plutonium pit production Analysis of Alternatives.	
FOIA 18-00056-M	Requests all settlements, accommodations, reprimands, warnings, acquittals, or other formal documentation of discrimination claims involving Mr. Jones. The search for responsive records should include the Human Resources (or equivalent(s), such as the Human Capital Office in DOE) and General Counsel offices of DOE, NNSA, and DNFSB. Please bear in mind that a reasonable search must include locations where such documents are likely to be kept, which may not be limited to Mr. Jones's file. For example, a settlement or accommodation may be kept in the file of an employee who raised concerns. For Doe and NNSA, the search should include documents from 2001 through Mr. Jones's departure in 2012	Other Reasons - No records
FOIA 18-00055-R	Requesting all Congressional Correspondence Logs, including logs maintained by component, regional or program offices, for correspondence received between January 1, 2007 and December 1, 2017. To be clear, we are not requesting the correspondence texts. We are requesting all fields of information recorded in logs or log databases about each congressional correspondence such as the Correspondent Name, Correspondent Type or Organization, Addressee, Subject, Date received, Date of Reply, Document Type, Processing Codes and Instructions, Reference or Control Numbers, Action and Office to which the correspondence may have been assigned.	Granted in Full
FOIA 18-00054-H	Requesting the following documents: - Briefing slides and other materials related to the presentation to the House Armed Services Committee on Thursday, November 30, 2017 on the subject of the Analysis of Alternatives on plutonium pit production. - The NNSA Analysis of alternatives for plutonium pit production.	Granted/Denied in Part
FOIA 18-00053-M	I request a copy in the highest resolution/quality available - ideally that of the original scan - of every nuclear test film that has been declassified and digitized as part of Dr. Spriggs' project. Additionally and as applicable, I request a copy of any and all color corrected or otherwise enhanced copies of the original scanned nuclear test films. I also request an electronic copy of the original as well as the amended (see LLNL-TR-727297) MOU between LANL and LLNL regarding film digitization.	Other Reasons - Not a proper FOIA request for some other reason
FOIA 18-00052-K	Requesting a copy of the FOIA request letter and all subsequent correspondence sent and received (inclusive of responsive records as well as any appeal letters and determinations, as applicable) as well as all processing notes for the following NNSA FOIA requests: FOIA 13-00085-E, FOIA 13-00088-J, FOIA 13-00104-K, FOIA 13-00193-K, FOIA 13-00230-R, FOIA 13-00254-E, FOIA 13-00070-E, FOIA 13-00072-K	Other Reasons - Not a proper FOIA request for some other reason
FOIA 18-00051-DO	Requesting medical records, personnel records, x-ray reports, radiation exposure report, occupational and industrial records	Granted in Full

FOIA 18-00050-R	Requesting copies of all responsive records, including but not limited to text messages, email, audio, video, or other electronic records, that reference Loan K. Le (and/or other related personal identifiers) by searching the following domains: (1) All records for public safety, hazard, national security/intelligence, medical or occupational surveillance or other surveillance by any name. (2) All general crime, miscellaneous incidents or other related reports filed with or accessible by your office. (3) All records of participation in any research investigations or experimental research with human subjects. Please be sure to search for records of actual subjects of investigations, beyond a simple search for project investigators. (4) All health or medical records. (5) All threat assessments or risk assessments. (6) All records for training exercises in surveillance. (7) All other investigative records. (8) All electronic databases maintained or accessed by your office/agency. (9) All supplemental pertaining to the items listed above. Additionally: (1) Please search all main and cross-referenced including de-identified (following linking data) records for Dr. Le's information. (2) If you are aware that responsive records exist at another office or location, please provide me with the corresponding contact information. (3) If applicable, please provide me with a complete accounting of disclosures for all parties to whom this information has been released. According to regulation, the disclosures should include basic information such as to whom (name, address and contact info), for what reason, and the date of release of information. (4) Please include classified and unclassified records in your search. (5) Please include records of all law enforcement intelligence units. (6) Please provide detailed processing notes for the subject records request	Other Reasons - No records
FOIA 18-00049-H	Requesting copies of records containing the following information: Nuclear development and proliferation in South Africa, Israel and India.	Granted in Full
FOIA 18-00048-DO	Requesting medical records, personnel records, x-ray reports, radiation exposure report, occupational and industrial records	Granted in Full
FOIA 18-00047-EW	Records that were collected for Harold Apple's, (deceased), application for the COLD WAR PATRIOTS Program.	Other Reasons - No records
FOIA 18-00046-M	Requesting Any Contracts, Grants or Projects involving a "seismic hammer" or "Seismic Hammer TM" sponsored by or involving Sandia National Laboratories (Sandia), National Nuclear Security Administration (NNSA), or Office of Defense Nuclear Nonproliferation (DNN) Specifically but not limited to Projects known as: 1) "Thor 1", 2) "Thor 2", 3) DOE 2016 SBIR DE-FOA-0001417 CFDA Number 81.049 ("2016 SBIR") or 4) Any project, grant, contract similar to 2016 SBIR (collectively "Projects", singularly "Project"). 1. All writings , as defined in Federal Rule of Evidence 1001 (1) (Writings"), that constitute, evidence, record, reflect, analyze, refer to summarize, support, refute or comment upon ("Related to or Relating To") the projects, including but not limited to any request for proposals, requests, notices, inquires, or proposals by Sandia relating to the Projects, including but not limited to formal or informal requests for notices of interest or notices of intent to bid, and requests for proposals (Solicitations") 2. All writings related to the Projects received in response to the Solicitations. 3. All writings related to the Projects mentioning HK Explorations, LLC, a Delaware limited liability company or HH Seismic, LLC, a Delaware limited liability company or affiliates or apparent affiliates of the forgoing mentioned entities (each a "Party of Interest") 4. All writings relating to the Projects and any Party of Interest or the subcontractors or agents of the Parties of interest who performed work in the Projects or are identified in any proposal or response by DRI for performance of the work on a Project. 5. All writings relating to the Project and any parties of interest or the subcontractors or agents of any Parties of interest who provided equipment or had or have an interest in equipment used on the projects or proposed to be used on	-

	<p>the Projects, specifically but not limited to any Seismic Hammer; 6. All writings relating to the Projects mentioning American Quantum, Lang International Holding or Ajax Exploration; 7. All writings relating to the Projects mentioning a Seismic Hammer and specifically but not limited to identifying the ownership of or authorization to use the Seismic Hammer that was used in any Project and including but not limited to Writings identifying the party who owned or owns any seismic hammer used in the Projects, the "Source" or "Vendor"; 8. All Writings relating to the Projects identifying or discussing any seismic sound source used or proposed to be used in the Projects; 9. All writings relating to retention by the Parties of interest of data relating to the projects or produced or to be produced during the Projects.</p>	
FOIA 18-00045-K	<p>I am requesting any and all documents related to reimbursement, provisional reimbursement, accrued legal fees, and related-reimbursements* to the Contractor Lawrence Livermore National Security (LLNS), associated with the DOE 708 Whistleblower Complaint that I Anthony T. Rivera, filed against LLNS, from the calendar endpoint of October 18, 2017 of NNSA FOIA 18-00022-M, through November 17, 2017. This November 17, 2017 FOIA request will include calendar reimbursements not captured in NNSA FOIA 18-00022-M. One such post NNSA FOIA 18-00022-M reimbursement will include all expenses charged by Dorothy Liu and the legal firm Hanson Bridgett LLP, for construction of their November 16, 2017 DOE OHA Appeal response on behalf of LLNS, to my submitted Appeal case WBA-17-0010 dated November 1, 2017. To include: A detailed list of all LLNS accounts charged by LLNS Livermore site Managers by name and amounts charged by date, expended for communications with LLNS LLC Corporate Senior Management, including Bechtel National, University of California, Babcock and Wilcox, Washington Division of URS Corporation, and Battelle, leading up to my dismissal from LLNS in October 2013, and additional LLNS charge account expenditures for continuing communications regarding my DOE 708 complaint through November 17, 2017. Any and all documents related to DOE/NNSA to the Contractor Lawrence Livermore National Security (LLNS), reimbursement and provisional reimbursement, for accrued legal fees and expenses for the hired legal firm Hanson Bridgett LLP associated with the LLNS response to DOE OHA Appeal case WBA-17-0010 dated November 16, 2017. Any and all documents related to any additional hired legal firm or service listed by name, with reimbursable charges associated with DOE OHA Appeal case WBA-17-0010. Any and all documents related to the beginning date of each legal fee and expense. Any and all documents related to the closing date of each litigation fee and expense or state "in progress" Any and all documents related to the total fee (legal fees + expenses) provided to legal firm(s) reimbursed, or provisionally reimbursed by DOE/NNSA, from the NNSA FOIA 18-00022-M calendar endpoint of October 18, 2017, through November 17, 2017 if such charges are in progress. Any and all documents that are related-reimbursements* defined as labor charged by internal LLNS staff in any way associated with DOE OHA Appeal case WBA-17-0010. These charges will include but are not limited to: Total charges of Jennifer Achtert Total charges of Jennifer Szutu All LLNS internal charges expended in support of LLNS litigation efforts, not directly and completely paid for out of LLNS earnings or profits. This would include the expenses of non-attorney LLNS managers and employees that charged LLNS accounts for contributions to the DOE OHA Appeal case WBA-17-0010 response filed by Dorothy Liu with the legal firm Hanson Bridgett LLP dated November 16, 2017. This would include but not limited to: time charged for strategy meetings that were physical, by phone, or email discussions, between</p>	Granted/Denied in Part

	lab attorneys and or retained attorneys, with LLNS non-attorney staff actual LLNS account numbers charged and account number descriptions for all LLNS internal charges expended in support of LLNS litigation efforts, not directly and completely paid for out of the LLNS earnings or profits	
FOIA 18-00044-R	Requesting a copy of the award recipient for RFQ 512104 awarded by Los Alamos National Laboratory to include the following information: 1. Name of Award Company and Address 2. Award amount 3. Reason for our of state award	Other Reasons - No records
FOIA 18-00043-KM	Requesting Personnel Records, occupational and industrial records dates and type of job performance by Ethel Mae Balance, deceased	Other Reasons - No records
FOIA 18-00042-DO	Requesting personnel records, occupational and industrial records, dates and job performance for Henry Hayward Ballance, deceased	Other Reasons - No records
FOIA 18-00041-H	Requesting documents concerning technical assessments of Iran's nuclear program, funded through the Department of Energy's Office of Intelligence such as those produced by the Z Program (previously Special Projects Division) at Lawrence Livermore National laboratory or the International Technology Office at Los Alamos National Laboratory.	Granted in Full
FOIA 18-00040-M	Requesting documents from three related civil legal actions, of Sandia National Laboratories' involvement, they are The "Hidalgo County Action", The "Harris County Action" and The "Arbitration Proceeding". I request the following documents: 1. Any documents showing that, in 2005 or 2006, Jon Christian Amberson or Jon Christian Amberson, P.C. requested Sandia National Laboratories, Critical Resomces Program Lab to provide expert, consulting or technical services, or other information, for either the Hidalgo County Action, the Harris County Action or the Arbitration Proceeding. 2. Any documents showing that, in 2005 or 2006, Jon Christian Amberson or Jon Christian Amberson, P.C. requested Sandia National Laboratories to provide expert, consulting or technical services, or other information for either the Hidalgo County Action, the Harris County Action or the Arbitration Proceeding. 3. Any documents showing that, in 2005 or 2006, Sandia National Laboratories, Critical Resources Program Lab requested a \$25,000 retainer from Jon Christian Amberson or Jon Christian Amberson, P.C. in order to provide expert, consulting or technical services, or other information, for either the Hidalgo County Action, the Harris County Action or the Arbitration Proceeding. 4. Any documents showing that, in 2005 or 2006, Sandia National Laboratories requested a \$25,000 retainer from Jon Christian Amberson or Jon Christian Amberson, P.C. in order to provide expert, consulting, or technical services, or other information, for either the Hidalgo County Action, the Harris County Action or the Arbitration Proceeding. 5. FOIA 18-00031-R	Requesting all writings (meaning "writings" as defined in Rule 1001 of the Federal Rules of Evidence, and any handwriting, typewriting, printing, photostating, photographing, photocopying, transmitting by electronic mail or facsimile, and every other means of recording upon any tangible thin any form of communication or representation, including letters, words, pictures, sounds, or symbols, or combinations thereof, and any pictures, sounds, or symbols, or combination thereof, and any records thereby created, regardless of the manner in which the record has been stored. The term "Writing" includes all electronically stored information and "metadata" of writings, including without limit all electronic media, devices, files and data used to create, store transfer, manipulate or circulate WRITINGS, where in their current state or previous state, including without limit all excel files and devices, and all electronic data which describes, when WRITINGS were created, modified accessed,	Other Reasons - No records

	stored, printed, manipulated, and circulated related to evidence or demonstrating any public advertisement for bids in the year 2017 for work to be performed at, on or around the Lawrence Livermore National Laboratory	
FOIA 18-00030-KM	Requesting personnel and other records on John Robert Van Wazer, deceased	Other Reasons - No records
FOIA 18-00029-M	Requests declassification review and release of records concerning a meeting held on December 17, 1991, where officials from Los Alamos Laboratory and the Department of Energy briefed members of the Defense Policy Board and the Defense Science Board on Non Strategic Nuclear Forces. "The participants in the meeting are listed in the enclosure.	-
FOIA 18-00028-K	Requesting four final report for clean-up of solid waste management sites (SWMUs) at Los Alamos National Laboratory.	Other Reasons - Duplicate Request
FOIA 18-00027-R	Requesting a copy of the video of a talk Secretary Perry gave to Los Alamos National Laboratory employees on May 10, 2017 at an All-Employee Meeting.	Other Reasons - Transfer to other Agency
FOIA 18-00025-M	Requests any records describing the release or "spills" for the Oak Ridge Y-12 plant for elemental mercury and/or mercury-containing compounds. The period of interest is the years 1955 through 1975 for Building 9202, especially for Room 15.	Granted in Full
FOIA 18-00024-K	Requesting 1. RFI Phase Report, Operable Unit 1071, SWMU Aggregate 0-G, Leakage from PCB Transformers, Los Alamos National Laboratory, New Mexico, April 1993. 2. RFI Report for SWMU 0-030(g), Los Alamos National Laboratory, new Mexico, February 2001	Granted in Full
FOIA 18-00023-R	Requesting all LLNL Main Site layoffs and Site 300 layoffs of Career Indefinite employees vs. Supplemental Labor employees as a function of time, from June 1, 1984, to October 19, 2017. A responsive FOIA will include: - For the period of June 1, 1984, to October 19, 2017, the number of Career Indefinite employee layoffs vs. the number of Supplemental Labor employee layoffs, where the unit of time is one calendar month (June 1984 figures, then July 1984 figures, etc.) - Each month with layoffs, shall include the names of the particular projects or programs associated with the layoffs	Other Reasons - No records

FOIA 18-00022-M	Requesting any and all documents related to reimbursement, provisional reimbursement, accrued legal fees, and related-reimbursements* to the Contractor Lawrence Livermore National Security (LLNS), associated with the DOE 708 Whistleblower Complaint that I, Anthony T. Rivera, filed against LLNS starting on January 14, 2014 through October 18, 2017. I request DOE/NNSA to LLNS reimbursement, provisional reimbursement, and accrued legal fees for the hired legal firm Hanson Bridgett LLP, and any additional hired legal firms associated with the DOE OHA Investigation and Hearing initiated as of August 19th, 2016. To include: Any and all documents related to DOE/NNSA to the Contractor Lawrence Livermore National Security (LLNS), reimbursement and provisional reimbursement, for accrued legal fees and expenses for the hired legal firm Hanson Bridgett LLP associated with the identified DOE OHA Investigation and Hearing ? Any and all documents related to any additional hired legal firm or service listed by name, with the reimbursable charges associated with the identified DOE OHA Investigation and Hearing ? Any and all documents related to the beginning date of each legal fee and expense ? Any and all documents related to the closing date of each litigation fee and expense or state "in progress" ? Any and all documents related to the total fee (legal fees + expenses) provided to legal firm(s) reimbursed, or provisionally reimbursed by DOE, OR reimbursed, or provisionally reimbursed by DOE to date, if litigation is in progress ? Any and all documents related to the related-reimbursements* defined as labor charged by internal LLNS staff will include documents pertaining to: ? Total charges of Jennifer Achtert ? Total charges of Jennifer Szutu ? Total charges of Bob Perko ? All LLNS internal charges expended in support of LLNS litigation efforts, not directly and completely paid for out of LLNS earnings or profits. This would include the expenses of non-attorney LLNS managers and employees that charged LLNS accounts in response to the DOE 708 Investigation conducted by Neil Schuldenfrei and the managers and employees that charged accounts in response to the DOE 708 OHA Hearing conducted by Judge Palmer. This would include but not limited to: ? time to produce written statements by LLNS staff that were provided to Neil Schuldenfrei ? time for strategy meetings that were physical, by phone, or email discussions, between lab attorneys and or retained attorneys, with non-attorney staff including time for statement construction, statement edits, deposition guidance, and hearing guidance ? time for case depositions including time for off-site travel ? court hearing participation(s) including off-site travel ? actual LLNS account numbers charged and account number descriptions for all LLNS internal charges expended in support of LLNS litigation efforts, not directly and completely paid for out of the LLNS earnings or profits	Granted/Denied in Part
FOIA 18-00021-K	Requesting a copy of the documents containing the National Nuclear Security Administration's evaluations of every entity which applied for the management and operating contract for Sandia National Laboratories (SNL). The contract in question is contract number DE-NA0003525.	Granted/Denied in Part
FOIA 18-00020-R	Requesting all of the reports, communications and analyses involved in the storage of a nuclear weapon parts at the Y-12 national security complex, associated with the plan to keep the weapon in case it is necessary to defend Earth from an incoming asteroid. The storage of this device was disclosed in GAO Report 14-449.	Other Reasons - Duplicate Request
FOIA 18-00019-DO	Requesting Personnel Records, Occupational and Industrial Records for Ruth Virginia Thompson Harris, deceased	Other Reasons - No records

FOIA 18-00018-M	"Regarding the 2017 Federal Employee Viewpoint Survey (FEVS), I hereby request the following reports: *1st Level Subagency Report for the National Nuclear Security Administration (the main report for NNSA) *2nd Level Subagency Comparison Report for the National Nuclear Security Administration (compares results of each division within NNSA) *2nd Level Subagency Report for the Los Alamos National Laboratory (the main report for LANL) *2nd Level Subagency Report for the Nevada National Security Site (the main report for NNSS) *2nd Level Subagency Report for the Lawrence Livermore National Laboratory (the main report for LLNL) For each report, I request the full report, including all appendices and attachments."	Granted in Full
FOIA 18-00017-K	Requesting any documents that describe the solicitation, contract and performance of Phoenix Fabricators during the construction of two elevated water storage tanks at the Y-12 National Security Complex in Oak Ridge, TN between 2007-2009.	Other Reasons - No records
FOIA 18-00016-R	requesting all unclassified reports relating to the August 30, 2013 LLNL HEAF 10kg port glass incident which should include: ? Experiment Name ? Experiment Objective ? A list of past comparable experiments with the same unprotected port glass configuration where no damage or destruction of the 10kg port glass occurred ? HEAF Staff Involved ? Experimenters Involved ? All pre-experiment peer review documents to include the Failure Mode Effects Analysis (FMEA) document(s) ? All pre-experiment peer review documents identifying the peer review individuals involved as: o directly or indirectly associated with the experiment or experimental results o not associated with the experiment or experimental results ? All documented reasoning to opt-out of standard 10kg port glass shielding protocol including quantitative reasoning before the experiment was scheduled, as to why the use of turning mirrors inside the 10kg Tank were not used to protect the 10kg port glass ? All pre-experiment justification or diagnostic "value added" to forgo standard port glass protection practices knowing this was a seldom or one of a kind experimental configuration ? All post experiment documents identifying the pre-experiment peer review individuals involved as: o directly or indirectly associated with the experiment or experimental results o not associated with the experiment or experimental results ? All post experiment consequences, review, and documentation to include: o HEAF 10kg work pauses and work stops o Internal (LLNS) review documents explaining why the port glass blew out, and if it was preventable o External (non-LLNS) review documents explaining why the port glass blew out, and if it was preventable o Internal (LLNS) disciplinary actions regarding improper experimental procedure or the absence of objective peer review, and missing or inadequate Failure Mode Effects Analysis o External (non-LLNS) disciplinary actions regarding improper experimental procedure or the absence of objective peer review and or missing or inadequate Failure Mode Effects Analysis o DOE and or NNSA evaluations and actions against LLNS relating to the event o DOE and or NNSA monetary reduction to LLNS resulting from experimental poor judgment	Granted/Denied in Part
FOIA 18-00015-M	Requesting any documents which reference "Sheldon Schuster" or "Shel Schuster" as an author or otherwise. Although any documents would be desired, specifically any work done while working for the Lawrence Livermore National Lab or other companies involved in DOE nuclear research.	-
FOIA 18-00014-DO	Requesting medical records, personnel security file personnel records, and radiation exposure records fro Paul Robinson, deceased	Granted in Full
FOIA 18-00013-KM	Requesting medical records, personnel security file, personnel records and radiation exposure records for Charles Forrester, Jr., deceased	Other Reasons - No records

FOIA 18-00012-K	Requesting detailed design documents for the SERAPHIM linear motor developed at Sandia National Laboratories.	Granted in Full
FOIA 18-00011-M	Requester seeks a list of all records generated by the National Nuclear Security Administration's Office of Cost Estimating and Program Evaluation between its inception and such a time that this request is closed through disclosure of responsive records. Responsive records should include but not be limited to reports, analysis, white papers, assessments, cost estimates, analyses of alternatives, front-end assessments, policy recommendations and/or language, fiscal guidance materials, budget integration records, projections pertaining to staffing and other aspects of the nuclear enterprise, assessments of risk and advisory recommendations.	Granted in Full
FOIA 18-00010-K	Please provide an index listing the document numbers and titles of all Sandia Design Guides.	Other Reasons - No records
FOIA 18-00009-R	Requesting SLA740333 "Hybrid Microcircuit Design Guide"	Granted in Full
FOIA 18-00008-M	**Three requests aggregated into one*** Requesting 1. SAND2007-6052 "Package Design Guide of the Packaging Advisory Board" 2. All design Guides and Design Guideline documents developed using information from SAND93-0905 3. "High Shock Electronics Design Guide" developed by department 2664 of Sandia National Laboratory and referenced in report SAND-98-1172C	Granted/Denied in Part
FOIA 18-00007-K	Requesting Report LA-7244C, Second Annual Joint Y-Unit Steering Committee/Livermore Firing Set Committee Firing Systems Conference" together with all other annual reports of the Joint Y-Unit Steering Committee.	-
FOIA 18-00006-R	Requesting solicitation documents that were released for the below contracts and include information such as the PWS/SOW, proposed submission requirements, pricing instructions, industry day slides, description of facilities and other information that would be useful for a non incumbent to understand what a future solicitation might look like. The contracts of interest are: NNSA Enterprise Wide Administrative Services Facilities Maintenance Services at NFO Facilities Maintenance Services at ABQ	Granted in Full
FOIA 18-00005-M	***Search for records regarding the second part of the request, complete the certification form and respond directly to DOE HQ*** Requesting letters of Disciplinary Action and/or Grievances filed against David S. Jonas from 2011 through 2012. Requesting copies of letters of disciplinary actions, interview analyses, witness statements, interview reports, documentation of decisions, and documentation of grievance actions that were maintained in David S. Jonas' employee personnel records during his employment by the department of Energy from 2011 through 2012	Other Reasons - No records
FOIA 18-00004-EW	Requesting medical, personnel, x-ray, radiation exposure, occupational and industrial records.	Granted in Full
FOIA 18-00003-DO	Requesting medical records, radiation exposure report, x-ray reports, lung reports for Donald Wayne Young, deceased	Granted in Full
FOIA 18-00002-R	Requesting a copy of resulting award & pricing that was made under RFP 0000286278 for One Way Paging Services at the Kansas City Plant, Kansas City, Missouri	Other Reasons - No records

FOIA 18-00001-M	Requesting G.R. Johnson, T.J. Holmquist, "Test data and computational strength and fracture model constants for 23 materials subjected to large strains, high strain rates, and high temperatures". Los Alamos National Laboratory, Los Alamos, NM Report No. LA-11463-MS, 1989	Other Reasons - Transfer to other Agency
